

A group of approximately 20 people, the team members of the 'The Future of Work' project, are posing for a group photo in a modern, brightly lit room. They are arranged in several rows, with some standing and some kneeling or sitting in the front. The background features a large wall of screens displaying a presentation slide with the title 'The Future of Work' and various icons. The team members are dressed in casual business attire, and the overall atmosphere is professional and collaborative.

La participación de un profesional de DINAISA en este espacio reafirma el compromiso institucional con la actualización técnica y la incorporación de nuevas tecnologías para fortalecer la vigilancia sanitaria en el país. El RADCamp Latin America 2026 contó con el apoyo de instituciones internacionales como la American Genetic Association, la Society for the Study of Evolution y la International Society for Computational Biology.
